Diners Club®. Where is your Card welcomed?

Making it easy to locate your favorite merchants.

Whether today's business will take you across town or across the country, you'll always know where you're Diners Club is welcomed. The Diners Club Merchant Locator provides you with the simplest tool to quickly search and locate Diners Club merchants, right online.

In your office or on the road, head to www.dinersclubus.com

- Click on the Merchant Locator button at the top of the page
- Choose from eight different categories: Business Services, Dining, Entertainment, Lodging, Parking and Ground Transportation, Shopping and Telecommunications
- Enter a specific location (city or address) and merchant type and you'll obtain a listing of Diners Club accepting locations near your chosen location, from 2 to 50 miles

For each listing, Merchant Locator provides the name, address and phone number, along with the distance from your designated location. You can even print out a map to provide directions on how to get there. Log onto www.dinersclubus.com today and see how the Diners Club Merchant Locator make sit easier than ever to use your Card...wherever you're headed.

Diners Club®. Now more than ever.
