

Citi HR Opportunities

Our business is all about our people, and here in HR, we're responsible for those people. We need to attract, retain and develop all our talented individuals.

**Deadline:
Summer Internship -
20 January 2012**

Our HR function drives all people-management aspects of Citi's strategy by delivering superior HR transaction services, strategic HR advice, reward and mobility, management of employee relations, resourcing and learning & development.

Every year we run a **Summer Analyst Programme** for 10 weeks in our London office. Our interns are placed in one of the teams mentioned above. Successful interns may then be considered for the 2012 Full Time HR Analyst Programme based in locations across EMEA.

During the internship we'll keep providing training and networking opportunities to help you develop an in-depth knowledge of Human Resources and Citi as a whole - and what it's like to work here.
