Each Vehicle Report details vehicle type, license tag and vehicle number.

Transactions reported by driver.

Odometer reading reported for every

Cost per mile and miles per gallon are recorded each time a purchase is made.

When you need to control costs within departments or business units, the Vehicle Report lets you easily identify fuel consumption. This report can also be combined with Driver Reports.

At-a-glance efficiency

- Beginning odometer
- Business unit level
- Vehicle efficiency exceptions
- Month-to-date totals
- Year-to-date totals
