

James A. Forese

Co-President of Citigroup and Chief Executive Officer
Institutional Clients Group
388 Greenwich Street
New York, NY 10013

Mr. Forese is a member of the Citigroup Operating Committee. The Institutional Clients Group encompasses the Markets and Securities Services business, Treasury and Trade Solutions business, and Corporate and Investment Banking activities as well as the Citi Private Bank. Mr. Forese first joined the Salomon Brothers division in 1985 and began his career in securities trading. He was named a Managing Director in 1992 and has held various management positions throughout the Markets division, including head of that division, before being named to run the Securities and Banking unit in 2011.

Mr. Forese graduated summa cum laude from Princeton University in 1985 with a Bachelor of Science in Electrical Engineering and Computer Science. He and his wife Jennifer have four sons.

Paco Ybarra

Global Head of Markets & Securities Services
Institutional Clients Group
25 Canada Square
London, GB E145LB

Paco Ybarra is Global Head of Markets & Securities Services. He is a member of the Citi Operating Committee and Chairman of the ICG Risk Management Committee.

Prior to his current position, Mr Ybarra was the Global Head of Fixed Income, Currencies & Commodities. He joined the bank in 1987 in Spain as a Management Associate. After holding several positions in the Treasury in Madrid he became Derivatives Head in 1992. He moved to Mexico in 1994 where he was appointed Country Treasurer in 1995. In 1997 he moved to New York to become Regional Head of Sales and Trading for Citibank Latin America. In January 2002 he became the Regional Head of EM Sales & Trading for Asia Pacific, based in Singapore. In 2004 he was appointed Global Head of EM Sales and Trading and in November 2006, he became Co-Head of Global Fixed Income. In November 2013, his responsibilities were expanded to include the Securities Services businesses.

Mr. Ybarra holds a bachelor's degree in Economics from the University of Valencia in Spain and an M.B.A. from I.E.S.E. in Barcelona.

Jerome Kemp

Global Head
Listed Derivatives Sales and Clearing
25 Canada Square
London, GB E145LB

In this capacity, he is responsible for all aspects of Citi's Futures and OTC clearing businesses and leads a global team of approximately 200. His Global Management Team includes regional heads in Asia/Pacific (APAC), Europe, Middle East and Africa (EMEA), and the Americas, as well as Global Heads of OTC Clearing, In-Business Risk Management, Operations, and Technology.

With over 18 years of experience (including over 5 years in Japan), Jerome is a recognized industry leader in the Exchange Listed and OTC clearing industry. Accordingly, he serves on the Executive Board of the Futures and Options Association (FOA) in London and serves on the Executive Committee of the Futures Industry Association (FIA) in the U.S.

Before joining Citi, Mr. Kemp served as Managing Director and Global Co-Head of the Futures, Options and OTC clearing businesses at J.P. Morgan. He received his Bachelor of Arts in Philosophy at Brandeis University and dual Master of Arts/Master of Science degree from Columbia University's School of International and Public Affairs.

William J. Mills

Chief Executive Officer
North America
388 Greenwich Street
New York, NY 10013

Bill Mills is CEO of North America for Citi. He heads Citi Community Development and International Franchise Management in 101 countries around the globe and also has operating responsibility for Citi Holdings and Citi's business in Japan.

From 2008 to 2011, he was CEO of EMEA, where he was responsible for the performance of all of Citi's broad range of client segments across the region, including consumers, corporations, institutions and governments. In his position in North America, Bill is focused on serving clients, working with regulators and managing expenses for Citi's businesses in the region.

Until taking on the role as CEO of Citi EMEA, Bill was Chairman and Chief Executive Officer of Citi Markets & Banking for EMEA.

Bill has more than 35 years of experience in investment banking, including 30 with Citi. Before relocating to London, he was Chief Executive Officer of Salomon Smith Barney Asia Pacific and a member of the Salomon Smith Barney Management Committee. In that role, Bill was responsible for the Firm's investment banking, equity, fixed income, private client services and other operations conducted in Asia, Australia, New Zealand and the sub-continent.

Bill began his Citi career in New York where he formed and headed the debt origination and securitization group at Smith Barney, served as co-head of Smith Barney's Financial Institutions Division and spent five years as co-head of the Investment Banking Division. Before joining Smith Barney in 1982, he was a Vice President at Standard & Poor's Corporation, where he was a member of the Structured Finance Rating Committee.

Bill is a Board Member of the Global Financial Markets Association (GFMA), Citigroup Global Markets Inc. (CGMI) and was a Member of the Chancellor of the Exchequer's Financial Services Global Competitiveness Group. He is a Fellow of The Foreign Policy Association and a Member of the Advisory Board of Career Academies UK.

He is a 1977 graduate of Denison University.

Antonio Reyes Miras

North American Regional Head
Futures and OTC Derivatives Clearing
390 Greenwich Street
New York, NY 10013

Antonio joined Citi in March 2011 as Global Head of Electronic Execution Products for Listed Derivatives, responsible for the deployment of the CFOX platform across external clients and internal desks. Before joining Citi, he spent 12 years at J.P.Morgan performing in a variety of roles in the Electronic Execution space, including Global Head of Electronic Client Solutions for Cash Equities and Listed Derivatives and Global Head of Electronic Products for Prime Services.

Antonio holds an MSc in International Securities, Investments and Banking (ICMA Center-Reading University), MSc Financial Markets (INESE-Madrid) and BSc (Hons) in Business Administration (Universidad Autonoma-Madrid).

Gary Rosen

Managing Director – Chief Compliance Officer, Institutional Clients Group
390 Greenwich Street
New York, NY 10013

Gary M. Rosen is a Managing Director and the Global Head of Markets and Securities Services Compliance. He also serves as the Interim Chief Compliance Officer for Citigroup Global Markets, Inc. and for the Swap Dealer activities of Citibank, N.A.

Prior to joining Citigroup, Mr. Rosen was the Head of Compliance for Barclays Wealth Americas, the Wealth Management Division of Barclays Capital Inc. He joined Barclays from Lehman Brothers Inc. where he was the Director of Fixed Income Compliance and a Senior Regulatory Attorney. Before Lehman Brothers, Mr. Rosen was associated with the law firm of Cadwalader, Wickersham & Taft, specializing in securities and antitrust litigation.

Mr. Rosen has a B.A., cum laude, from the University of Pennsylvania and a J.D., cum laude, from the Boston University School of Law, where he was the Editor-in-Chief of the Boston University International Law Journal. He carries the Series 14 Securities License (Compliance Official).

Santo Trombetta

Managing Director – ICG O&T Control & Reporting
388 Greenwich Street
New York, NY 10013

Santo joined Citi in June of 2008 as a Managing Director in the ICG CAO group. Based in New York City, he is currently responsible for the ICG O&T Control and Reporting group. The group is a strategic risk management organization that is integral to ensuring ICG Operations and Technology have the appropriate controls, oversight and reporting in place across all products, processes and systems to fully protect the Firm. In addition, Santo has been appointed ICG O&T North America regional Operations Manager. In this role, he serves as the point of escalation for any significant operational issues, coordinator for Regulatory, Compliance, and Internal Audit, and works on the development of the ICG O&T business strategy. He is a direct report to Mike Whitaker, Global Head of ICG Operations and Technology, and member of the ICG O&T Operating Committee.

At Citi, Santo has been credited with delivering both tactical and strategic reporting solutions to improve controls and transparency around the Operations balance sheet, Regulatory Reporting, Reconciliations and Line Control. With the integration of the Technology Control group in 2013, his team has continued to strengthen the already existing control framework, leading to significant reductions in risk/losses and identifying efficiency opportunities across Operations & Technology.

Prior to joining Citi, Santo worked at Credit Suisse as a Director and Global Head of Operations Control. He spent 20 years at Lehman Brothers from 1987 until 2007 where he held a number of management positions in both Finance and Operations. His last position was Senior Vice President in charge of their North America Operations Control group. In this role, he developed an effective reconciliation utility, managed several regulatory control processes and deployed value added metrics across Operations.

Educational Background and Certifications:

Santo earned his Business Degree from CUNY – Staten Island
Financial and Operations Principal – FINRA Series 27 licensed

Dan Palomaki

Managing Director – CFO / Controllers
388 Greenwich Street
New York, NY 10013

Dan Palomaki is a Managing Director and Chief Financial Officer (CFO) for Citigroup Global Markets Inc. (CGMI). Dan is responsible for (1) the accounting and financial reporting matters for CGMI, (2) establishing, implementing and maintaining accounting policies, (3) coordinating with and advising CGMI's Treasurer and Finance staff on finance and other accounting issues, and (4) producing technical accounting analysis of new complex products for all business lines within CGMI. Dan is responsible for the integrity and control of CGMI's financial books and records and specializes in accounting for derivatives, hedging activities, securitizations and financial instruments. Dan is a member of the AICPA Stockbrokerage and Investment Banking Committee. Prior to joining Citi, Dan was a partner at Arthur Andersen. Dan also served as a Practice Fellow at the Financial Accounting Standards Board (FASB) from 1998 to 2000.

Dan holds a Masters of Accounting and BBA degrees from the University of Michigan. Dan is a member of the AICPA and is a licensed CPA in the states of New York and Michigan. Dan holds the FINRA Finance and Operations Principal (Series 27) and Operations Professional (Series 99) registrations.
