General Overview

This manual provides general guidelines and policies for the administration of the Citibank® Government Fleet Card program. This document is organized into several sections to facilitate use by the Agency/Organization Program Coordinator (A/OPC). The General Overview section provides a comprehensive review of the entire Citibank Government Fleet Card program.

The other sections of this guide include program information organized for each key participant. The contents are organized in a systematic, chronological order, designed to assist the A/OPC and other Agency/Organization program participants through the implementation and ongoing operation of this program.

A/OPCs may wish to tailor these guidelines to suit their specific needs and their unique organizational structures. The manual is intended to be a general guide that highlights basic policies and procedures for your program. Therefore, it has not taken into account your Agency/Organization's specific requirements.

The Citibank Government Fleet Card program is designed to meet the following objectives:

- Simplify the purchase of fleet-related products and services
- Reduce paperwork and administrative costs associated with official Government fleet use
- Streamline payment procedures and improve cash management practices
- Improve management controls, reporting and decision-making activities

Information provided in this manual will assist A/OPCs in successfully managing their program and meeting these program objectives.

How to use this manual

The manual is a reference guide for processes and procedures used in the Citibank Government Fleet Card program for Agencies/Organizations. The manual is divided into sections and includes appendices with ready references containing important phone numbers, e-mail addresses and specific procedures for electronic interface with Citibank. Listed below are the various sections of this manual and their intended use:

Section	Use
General Overview	Executive Summary
Responsibilities of Program Participants	Desk Reference
Account Setup Procedures	Desk Reference
Account Maintenance Procedures	Desk Reference
Authorized Card Use	Desk Reference
Transaction Activity	Desk Reference
Statements of Account and Invoices	Desk Reference
Reconciliation Procedures	Desk Reference
Disputes	Desk Reference
Payment Process	Desk Reference
Account Suspension, Cancellation and Reinstatement	Desk Reference
Essential and Standard Reports	Reporting Capabilities
Training	Training Planning
Appendices	Reference Data

Product offerings

The GSA Master Contract consists of core products and services, as well as value-added and customized products. Citibank plays a pivotal role in advancing new payment products and technologies which will also benefit its Government customers and their Cardholders and Card Users.

Core products and services

Core products and services include the Fleet Card, A/OPC, Cardholder and Card User Assistance, Reporting and Electronic Access Systems.

Standard cards

Citibank will use the GSA-specified standard (Government artwork) card with embossing of the account number, expiration date and a 25-character alphanumeric field for Agency/Organization use. We will imprint the customer service toll-free and service numbers on the back side of all cards.

Quasi-generic cards

Quasi-generic cards are issued from non-Government Citibank credit card stock utilizing the account numbering structure for the Government program. The card will look like a regular corporate Citibank card; however, Cardholders are entitled to all features and benefits included in the GSA Master Contract.

Generic cards

Generic cards are used by Agencies/Organizations for security reasons. Generic cards will be issued from non-Government credit card stock with a standard Citibank account numbering structure. These cards will be exempted from the statement insert, statement messaging and tax-exempt features of the Government's program.

Cardless accounts

In certain situations, a "cardless" account may be set up. Cardless accounts are account numbers assigned to Agency/Organization entities or individual Cardholders. Purchases are generally made electronically (e.g., by telephone, fax, etc.). Cardless accounts can be controlled and limited to certain Merchant Category Codes (MCC).

Transition, implementation and training support

The Citibank Client Account Manager dedicated to your Agency/Organization is available for implementation, training and management assistance.

Contacts

If you are in need of assistance, or have questions regarding your Citibank Government Fleet Card program, please don't hesitate to contact your support team. We will be happy to help answer any questions or provide further clarification on any issue.

Reporting

Citibank provides all reports specified in the GSA Master Contract and your Agency/Organization's Task Order, in a format designed to enhance management information analysis and report utilization. This information is shared on Citi's EAS.

Electronic access systems

Citibank provides controlled electronic access to account statements, account maintenance, reports and disputes through the CitiManager® online tool.

Fleet Card features

Your Agency/Organization's Government Fleet Card program was designed with features and benefits tailored to meet the Government's payment processing needs for your fleet of vehicles and drivers. Some of the benefits include:

Worldwide acceptance

Government Cards issued by Citi are accepted at more than 80 million locations around the globe.

Purchase management

Purchases made with the Citibank Government Fleet Card can be limited to "fuel purchase only," and be customized to set spend limit per day, or per purchase. Your Citibank Representative can assist you in establishing parameters based upon your needs.

Detailed data availability

Important information can be monitored for your fleet of vehicles at the point-of-sale (POS) with suppliers having upgraded terminals. The data includes, but is not limited to, odometer reading and vehicle number or driver number (if one is assigned). This level of detail can assist you in managing the activity and expenses of all vehicles and drivers within your fleet.

Customized reporting

For Agencies/Organizations utilizing the CitiManager® reporting suite, ad hoc report parameters can be saved as customized reports. The Citibank® Representative assigned to your Agency/Organization can assist you in analyzing the requirements and setting up reports with the desired delivery method.

Responsibilities of Program Participants

This section provides information on the duties and responsibilities of the individuals and Agency/Organization entities involved in managing, directing and controlling the Citibank Government Fleet Card program.

The Citibank Government Fleet Card program has many participants, each with unique responsibilities. Therefore, the collective actions will determine the effectiveness and efficiency of the Citibank Government Fleet Card program. The Master Contract and Agency/Organization Task Order define the responsibilities of the parties involved in this unique partnership. This manual addresses the responsibilities of the following parties:

- Agency/Organization Program Coordinator (A/OPC)
- Approving Official (AO) (optional)
- Cardholder
- Designated Billing Office (DBO)
- Transaction Dispute Office (TDO)
- Agency/Organization Contracting Office (A/OCO)
- Citibank

Agency/Organization Program Coordinator (A/OPC)

An A/OPC is an individual designated by the Agency/Organization to perform task order contract administration within the limits of delegated authority and to manage the Government Fleet Card program. The A/OPC generally serves as the focal point for answering questions, managing contract administration, coordinating applications, issuing and destroying cards, establishing and reviewing reports and overseeing administrative training. The A/OPC is the overall point of contact, and serves as a liaison between the Agency/Organization, Citibank and GSA.

For some Agencies/Organizations, the A/OPC may be the ordering Contracting Officer. For those Agencies/Organizations where the A/OPC is not the ordering Contracting Officer, the Agency/Organization's ordering Contracting Officer shall also be treated as the A/OPC and exercise the same rights set forth herein. Only the A/OPC or the GSA Contracting Officer is authorized to request Citibank to establish new accounts. The A/OPC oversees the card program(s) for his/her Agency/Organization and establishes guidelines. Changes to required authorization controls must be submitted to Citibank by the A/OPC.

A/OPC responsibilities typically include administration of the Agency/Organization's Task Order as follows:

- Maintaining an up-to-date list of account names, account numbers, addresses, e-mail addresses, telephone numbers, etc., of all current Cardholders and accounts
- Maintaining an up-to-date list of Agency/Organization points of contact for DBOs, TDOs and Electronic Commerce/Electronic Data Interchange (EC/EDI) Offices (EO) and as applicable, a point of contact for each site with his/her telephone number
- Providing to Citibank all changes in his/her Agency/Organization's organizational structure that affect invoice and/or report distribution
- As requested by the GSA Contracting Office, and on a quarterly basis, reviewing and evaluating the technical and administrative task order performance and compliance of Citibank, including conformance with price and schedule provisions of the work effort, and accepting deliverables. The A/OPC will ensure that DBO, TDO and EO Offices provide feedback to the A/OPC. The A/OPC will consolidate feedback on the task order evaluation forms
- Resolving technical and operational problems between Citibank and the user as required
- As applicable, assisting the GSA Contracting Officer in authorizing unique contract support changes

- Taking appropriate action regarding delinquent accounts or non-compliance with task order performance, notifying Citibank and the GSA Contracting Officer as appropriate, and reporting to the GSA Contracting Officer any observed violations of applicable executive orders, laws or regulations
- Ensuring that task orders and change orders to the task orders are within the maximum dollar volume limit, and include:
 - Clearly defined requirements, acceptance plan and criteria and an appropriate management and technical approach
 - Defined milestones and deliverable products, schedules and prices
- Developing an independent Government estimate for each task order and/or change orders to the task order, for use in negotiating price
- Participating in annual training conferences and disseminating to the Agency/Organization basic information learned during conference proceedings
- Ensuring that Cardholders use the card program correctly
- Monitoring account activity and managing delinquencies
- Ensuring that appropriate steps are taken to mitigate suspension or cancellation actions
- Specifying any preset authorization limits for Fleet accounts and cards, as well as other parameters, e.g., MCC restrictions
- Activating core products and services

The A/OPC will not provide supervisory or instructional assistance to Citibank personnel. The A/OPC is not authorized to change any of the terms and conditions of the Master Contract. Only the GSA Contracting Officer can authorize changes to the Master Contract. Agencies/Organizations should consider assignment of subsidiary A/OPCs at each major level within the organization.

The Approving Official (AO) (optional)

The Approving Official (AO), if used by an Agency/Organization, is normally the supervisor to whom a Cardholder reports for authorization to purchase required products and services. AOs assist in the reconciliation of Cardholder accounts, ensuring proper procedures are followed when purchasing products or services. AOs are the conduit between the A/OPC and the Cardholder, ensuring proper dissemination of information regarding program changes and Cardholders' ability to utilize their cards. Although not contemplated by the Master Contract, Citibank understands that some Agencies/Organizations wish to employ this management tool for the Fleet Card Task Order. Citibank will work with each Agency/Organization that requests such support.

The Cardholder/Card User

The Cardholder is the individual or Agency/Organization entity designated by the Agency/Organization who is issued a Fleet Card and is responsible for the purchase of goods and services with that card in accordance with applicable regulations and Agency/Organization policies and procedures. It is the Cardholder's responsibility to understand and comply with his/her Agency/Organization's policies and procedures regarding authorized purchases, record keeping, reconciliation and payment of the Statement of Account. In addition, the Cardholder is responsible for informing the merchant of the tax-exempt nature of any purchase being made with the Fleet Card.

The Designated Billing Office (DBO)

The DBO is responsible for processing and ensuring payment of the Centrally Billed Account invoices. For further detailed responsibilities, please refer to the *Citibank® Government Card Designated Billing Office (DBO) Guide*.

The Transaction Dispute Office (TDO)

The TDO may be established to assist the Agency/Organization and Citibank in tracking and resolving disputed purchases. For further detailed responsibilities, please refer to the *Citibank® Government Card Transaction Dispute Office (TDO) Guide*.

Agency/Organization Contracting Office (A/OCO)

The Agency/Organization Contracting Office (A/OCO) has the responsibility for issuing the task order against the contract with Citibank for Fleet Card services. Administration of the Agency/Organization Task Order is typically the responsibility of the A/OCO. All A/OPC questions regarding the terms and conditions of this task order should be directed to the A/OCO in accordance with the Agency/Organization's policies and procedures.

Citibank

Citibank will provide timely delivery of all products and services specified in the Agency/Organization Task Order within the parameters established under the GSA Master Contract.

- The Program Manager assigned to your Agency/Organization provides developmental services for the life of the contract. He/she serves in the role of Task Order Manager
- During implementation, your dedicated Transition Manager will utilize the entire spectrum of resources within Citibank to make your Agency/Organization's Fleet Card program a success
- Once implementation activities are completed, your dedicated Client Account Manager will take over day-to-day and special support activities

Citibank will provide the Agency/Organization and its employees with dedicated and responsive customer service representatives 24 hours a day, seven days a week, every day of the year through the Citibank Customer Service Center. This service will enable all participants to obtain information and resolve problems associated with their Government Fleet Card program.

Citibank will also provide electronic access and reporting through the CitiManager reporting module as required by the GSA Master Contract and the Agency/Organization Task Order. Electronic communication not only reduces turnaround time, it also helps to improve the timeliness and accuracy of system updates.

Citibank will use Electronic Access System to provide each A/OPC office with an electronic method to obtain and submit program forms. For security reasons, these software packages will be password protected, and access will be limited to individuals authorized by the A/OPC.

Citibank personnel will assist the Agency/Organization with account setup, account maintenance, reporting and establishing billing, reconciliation and dispute processes that properly support the use of the Fleet Card program.

Citibank meets all security requirements as specified in the Master Contract and Agency/Organization Task Orders. Internal security procedures will also be utilized for this contract, including those to properly protect databases and information processing system access. Citibank will only release information concerning account numbers or names of Cardholders in accordance with the terms and conditions of the Master Contract.

Creditworthiness checks will not be used as part of the issuance procedures for Citibank Government Fleet Card accounts.

Citibank will also provide each Cardholder with a mailing that contains the following items:

- Fleet Card
- Card Carrier with links to card benefits and important information including this guide

Account Setup Procedures

Initial Agency/Organization account setup is accomplished as a result of the issuance of an Agency/Organization Task Order against the GSA Master Contract. This task order delineates the requirements set forth by the Agency/Organization, including any value-added requirements. A task order can be tailored to specific Agency/Organization needs, provided that the requirements fall within the scope of the GSA Master Contract award.

Citibank will provide detailed and comprehensive assistance to the Agency/Organization to simplify account setup upon award of a task order.

Hierarchy structure setup

Upon receipt of the Task Order from the Agency/Organization, Citibank will coordinate with the A/OPCs and other designated personnel to initiate the process of account hierarchy setup and information reporting requirements. Processing the necessary information to set up the Agency/Organization master file and account structure must be completed prior to initiating Agency/Organization accounts.

The Agency/Organization internal structure, geographic location and size determine the Fleet Card hierarchy structure. The Agency/Organization hierarchy can contain up to eight levels, offering greater control for Agencies/Organizations with multiple geographic locations and large numbers of personnel. Typically, however, the basic hierarchy contains only five levels as defined below:

- Level I: GSA (Master Contract Award)
- Level II: Agency/Organization
- Level III: Division/Branch (Sub-Unit)
- Level IV: Approving Official (AO) (as applicable)
- Level V: Cardholder (Individual)

Fourth line embossing

During the setup process, the Agency/Organization has the ability to designate the fourth line of embossing on issued cards. This normally contains the Agency/Organization name. The Cardholder/Approving Official must print or type this name exactly the way it is to appear on the card, using a maximum of 25 characters.

Printing

The Agency/Organization name, the phrase "U.S. Government Tax Exempt" may be printed on the card.

Division/branch management control setup

As part of the initial hierarchy setup, the A/OPC shall submit all Cardholder and management control account setup information to Citibank. Management control is the responsibility of the A/OPC's designated representative within the division/branch management structure. Larger organizations with a large number of accounts may choose to use Approving Officials in this capacity. If used, each Approving Official will occupy a place in the Agency/Organization hierarchy. If an AO approach is used, all Cardholders shall be assigned to an AO for control, billing and reporting. Approving Officials should be personnel in supervisory management positions to ensure appropriate authority and control. In smaller organizations with fewer accounts, the A/OPC may serve in this capacity.

The following minimum information should be forwarded to Citibank at the time of account setup:

- Hierarchy listing of A/OPCs, Division/Branch designated representatives or Approving Officials and Cardholders (not required for start-up transition)
- Designated Billing Offices and Transaction Dispute Offices
- Cardholder Account Setup Form (not required for start-up transition) (see Appendix B)

Cardholder setup and activation

After completion of the Division/Branch management control account setup procedures, setup forms are sent to the A/OPC for transmission to Citibank. Citibank will issue cards within three days of receipt of the completed forms. Cards are sent directly to the individuals designated as the Cardholder, unless the A/OPC indicates otherwise. Prior to submission of the setup forms for Cardholder privileges to Citibank, the A/OPC should conduct the following checks to verify information and ensure expeditious issue of the card to the Cardholder:

- Validate information provided
- Complete the hierarchy (see hierarchy structure above)
- Assign the appropriate credit and cash limits (if applicable)
- Include Merchant Category Code (MCC) exclusions/inclusions (see Appendix F)
- Set billing cycle office limits

All cards issued by Citibank to individual Cardholders are inactive in order to reduce the potential for fraud. Cardholders who receive Citibank Government Fleet Cards will be required to activate their cards through Citibank (Note: Vehicle-assigned cards can be bulk activated if so desired by the Agency/Organization). During activation, Cardholders will be asked to provide a unique identifier which was established during account setup. Activation can be completed through our automated card activation system, the secure card activation website (cardactivation.citi.com), or one of our customer service representatives, 24 hours a day, seven days a week. The telephone number for the activation service is 1-800-790-7206.

Upon receipt of the card, the following steps should be performed by the Cardholder:

<p>Step 1</p>	<p>The new Cardholder opens the card issuance mailer to verify receipt of the card and Cardholder Guide.</p> <p>NOTE: Your Agency/Organization may elect for all cards to be issued through the A/OPC and Approving Official. You will have to follow internal procedures to issue the cards to the Cardholders. In addition, some Agencies/Organizations require Cardholders to notify the A/OPC of card receipt.</p>
<p>Step 2</p>	<p>The Cardholder checks the spelling of his/her name and signs the signature strip on the back of the card or accesses the secure website.</p>
<p>Step 3</p>	<p>The Cardholder then calls the toll-free number on the activation notice and enters the information requested by the prompt to verify receipt. The card is now activated and ready for use.</p>

New organizations

The account setup process described above is also used for adding new organizational entities to your hierarchy. The A/OPC will need to coordinate the effort of making changes to the hierarchy with the Citibank Client Development Manager.

Emergency card issuance

If new cards are needed as a result of an emergency or mobilization, Citibank will accept verbal instructions for emergency account setup. Account service managers are available 24 hours a day, seven days a week. The A/OPC must provide validation of all verbal instructions in writing to the Citibank Customer Service Center within three business days. To avoid duplication, these written instructions must be clearly marked as "Confirmation of Verbal Instructions." For "Emergency Account Setup and Card Delivery," Citibank will process and ship cards within 24 hours at the request of the A/OPC or GSA Contracting Officer. Upon request of the A/OPC or GSA Contracting Officer, Citibank will ship emergency cards via overnight delivery at the expense of Citibank.

Account Maintenance Procedures

Information updates

The A/OPC must ensure that the master file information is kept up-to-date to ensure the smooth functioning of the program. The A/OPC must maintain individual Cardholder information, the hierarchy and DBO/TDO points of contact. The A/OPC must also regularly update A/OPC and EO information. Information updates are accomplished via CitiManager or by submitting the Citibank Account Maintenance Form via fax to 1-605-335-1417 or mailed to:

Citibank Customer Service Center
P.O. Box 6125
Sioux Falls, SD 57117-6125

Citibank provides for electronic updates via the CitiManager System, which the A/OPC may access by visiting Citibank's website at www.citimanager.com and then linking to it from the Government Services section. For those Agencies/Organizations that are not currently able to utilize electronic media, Citibank will accept faxes and/or hard copy of completed forms.

Authorization control changes

On occasion the A/OPC may find it necessary to change the Agency/Organization's cycle limit or the Cardholder's single purchase or cycle limit. The A/OPC is the only individual authorized to make changes to these limits.

Account renewal

All Citibank Government Fleet Cards are issued with an expiration date, up to five years after issue. Prior to the expiration of the card, Cardholder requirements should be reevaluated within the Agency/Organization. Individual accounts that show no activity over a 12- to 18-month period should be reviewed for possible cancellation due to minimal usage, thereby saving card administration costs.

To expedite account renewal and preclude a break in the availability of services to the Cardholder, the following actions should be taken:

- Ninety days prior to expiration of each account or card, the A/OPC may run a report listing each expiring account or card
- Cards that have been used within the past 90 calendar days shall automatically renew unless otherwise directed by the A/OPC
- Renewed cards will be sent no earlier than 45 calendar days before the expiration date of the existing card and no later than 20 calendar days before the expiration date

Internal transfers

After initial contract start-up and card issuance, account maintenance involving internal Agency/Organization transfers from one account component to another will be accomplished without reissuing the Fleet Card.

A/OPC termination of accounts and cancellation of cards

Using the Citibank Account Maintenance Form, the A/OPC should notify Citibank immediately when a Cardholder leaves an Agency/Organization, is terminated from employment, or no longer requires a Citibank Government Fleet Card. This may also be done via the CitiManager System. When the cancellation request is received, the employee's card will be canceled immediately. The A/OPC or his/her designated representative should thereafter retrieve and destroy the Citibank Government Fleet Card. If an employee attempts to use the card before it is retrieved and destroyed, the A/OPC should ensure destruction of the card and termination of accounts of individual Cardholders.

When a Cardholder leaves the Agency/Organization, his/her Agency/Organization employee clearance procedures should be followed.

Lost or stolen accounts/cards

A/OPCs and Cardholders must promptly report lost or stolen account numbers and cards to Citibank. The Customer Service Center is staffed 24 hours a day, seven days a week, every day of the year to accept calls from A/OPCs and/or Cardholders reporting lost or stolen cards. Subsequently, a replacement card with a new account number will be sent to the Cardholder or designated points as instructed by the agency/organization. Cards reported lost or stolen are immediately blocked from accepting additional charges. If unauthorized charges have occurred, they should be disputed.

Authorized Card Use

The Cardholder or Card User (if the card is assigned to a vehicle) is responsible for using the card only for the purchase of official fleet-related services as specified by his/her Agency/Organization's policies and regulations. Generally, the Citibank Government Fleet Card can be used at any merchant location, both domestic and international, that accepts the Fleet Card to purchase the following types of products and services:

- Fuel
- Fuel-related purchases
- Vehicle maintenance/services
- Aviation fuel and services
- Marine fuel and services

Authorized use of the Citibank Government Fleet Card is generally reserved for purchases related to, and made during, the execution of official Government business. It is the Cardholder or Card User's responsibility to understand his/her Agency/Organization's policies and regulations regarding the definition of authorized purchases.

Citibank provides a wide range of authorization controls that can limit or restrict Cardholder use of the card. The upper range of these limits is generally set by your Agency/Organization based on your specific requirements.

Agencies/Organizations can place the following authorization controls on Cardholder accounts as desired:

- Per Transaction Dollar Limit
- Monthly Dollar Limit
- Daily Transaction Limit
- Monthly Transaction Limit
- Card Usage by MCC
- Dollar Limits by MCC or Other
- Additional temporary Limits

Transaction Activity

Making a transaction

When purchasing fleet products and services with the Citibank Government Fleet Card, an audit trail must be maintained that will support all purchases in accordance with Agency/ Organization policies and procedures.

When purchasing non-tax-inclusive product and services, the Cardholder can inform the merchant that a tax-exempt Government Fleet Card is being used. If the Agency/Organization Task Order requires it, a tax-exempt number will appear on each card (except generic cards) to facilitate this process. If state or local taxes are charged, the Cardholder shall attempt to receive an exemption.

Transaction authorization

Citibank provides domestic and international transaction authorization support 24 hours a day, seven days a week, every day of the year. Standard commercial authorization controls, selected by the A/OPC at account setup, will be applied to each transaction. Transaction authorization requests which do not meet the specific criteria established by the A/OPC will be denied.

Transaction overrides

Citibank, at the direction of the A/OPC, has the ability to authorize transactions that may be blocked as a result of Agency/Organization-elected controls. The Citibank Customer Service Center will handle these requests for A/OPCs and other authorized personnel designated by the A/OPC. The functionality will allow any restricted requests (MCC, dollar limit, etc.) to be approved by the Citibank authorization system. In unusual circumstances, certain MCC blocking patterns may preclude authorization of acceptable purchases. The Customer Service Center can also handle these requests and, where appropriate, authorize these transactions.

Receipt retention

Each time a purchase is made, a merchant receipt should be obtained and retained as proof of purchase in accordance with Agency/Organization policies and procedures. The Cardholder should identify the specifics of the purchase on the merchant receipt. These documents should be either filed or forwarded to the billing office in accordance with Agency/Organization policy. They may be required at a later date to verify purchases shown on the Statement of Account.

Posting transactions

Citibank posts all settled transactions received from within two business days. Tracking controls will be utilized for manually processed transactions. Credit transactions will use the same reference number assigned to the original transaction to facilitate matching the credit to the original charge.

Statements of Account and Invoices

The Statement of Account is sent to the Agency/Organization billing office detailing all posted activity for the designated billing period. Citibank will send an itemized Statement of Account to the Agency/Organization within five business days of the end of each billing cycle. This statement will include all transaction data elements required in C.3.3.8 of the Master Contract and:

- Statement date
- Cardholder address
- Designated Billing Office identifier
- Foreign conversion rate (if applicable)
- Statement total in dollars
- Master File accounting code
- Itemized charge transactions
- Amount carried over from previous invoice (if applicable)
- Instructions for handling transaction disputes
- Toll-free telephone number to make statement inquiries
- Cardholder's billing cycle and single purchase limit
- 150-character master accounting code
- 15-digit alphanumeric code
- 20-digit alphanumeric Agency/Organization tax-exempt number field

If appropriate, an Approving Official Summary Statement will be sent to the Agency/Organization within five business days of the end of each billing cycle, detailing all transactions during the designated billing period for all Cardholders under his/her review.

The invoice is provided to the DBO by Citibank, with a roll-up listing of transactions and total dollar amounts for each Cardholder account, a summary total for each Approving Official, and a final amount to be paid. This final total is a roll-up of total dollar amounts for each Cardholder.

Charges made in foreign countries will be converted into U.S. dollars using a favorable conversion rate established by an interbank rate or, where required by law, the official rate. The conversion rate used shall be the one in existence at the time the transaction is processed, and will be identified on the Statement of Account, the invoice and all related reports. Citibank will not charge a conversion fee.

A sample Statement of Account is contained in Appendix X.

Reconciliation Procedures

The Designated Billing Officer should review and verify that all transactions on the Statement of Account are appropriate. This review should be accomplished in a timely manner in accordance with Agency/Organization policies to avoid incurring Prompt Payment Act interest charges. The DBO should have supporting documentation for each transaction. If an item has been returned and a credit voucher was received, the DBO should verify that the credit is reflected on the statement. If credits do not appear in a timely fashion (usually within 45 days), or if there are any other inconsistencies within the Statement of Account, the DBO should follow the dispute process as appropriate. It is the Agency/Organization's responsibility to ensure that the resolution of all disputes is properly tracked and reflected on the Statement of Account.

If the DBO does not have supporting documentation for a transaction, he/she should make an appropriate notation in his/her account records or file. If the DBO is not available to review the Statement of Account, the Approving Official, where applicable, is responsible for ensuring that an appropriate review is accomplished.

Subsequent to the DBO review, the Statement of Account should be reviewed by the Approving Official, where applicable, to ensure the appropriateness of all goods and services procured and discern whether all disputes have been resolved and properly reflected on the Statement of Account. The Approving Official also has available from Citibank a consolidated report reflecting the activity of all Cardholders/Users for whom he/she is responsible.

The DBO and/or the A/OPC reserve the right to audit/review all Statements of Account and supporting documentation. In the event of an unauthorized or inappropriate purchase, the A/OPC or the GSA Contracting Officer has the right to cancel a card.

Disputes

Reasons for disputing a transaction may vary from dissatisfaction with the goods or services provided, to non-recognition of the reported merchant or charge. In all cases, the first course of action is for the Cardholder to contact the supplier and attempt to resolve the dispute directly. If attempts to resolve the dispute with the supplier have not been successful, or if attempts to contact the supplier are not possible (supplier is not recognized, contact information is not available, etc.), the following process should be initiated by the Cardholder or his/her representative within the Agency/Organization:

Step 1

Internal policies within Agencies/Organizations may vary; however, communication with Citibank must be initiated by either the Cardholder or the Agency/Organization's representative on the Cardholder's behalf. Authorized representatives shall be designated by the Agency/Organization and normally include the TDO, the DBO and the A/OPC. This communication is normally done via telephone through a toll-free number or online via the CitiManager System. All disputes unresolved at the supplier-Cardholder level must be submitted to Citibank within 60 days of receipt of the invoice on which the charge(s) first appeared. After 60 days, the right to dispute a charge may be relinquished.

Step 2

Citibank will advise the individual making contact about next steps. The Cardholder will normally be required to complete either a paper or electronic Dispute Form and send the completed form to Citibank (see Appendix B). The Cardholder should always keep a copy of the completed Dispute Form for his/her reference. The Cardholder may also be required to provide a copy of the Dispute Form to appropriate entities within the Agency/Organization.

Step 3

Citibank will issue a temporary credit or suspend the disputed charge from the outstanding balance due. Citibank will acknowledge the initiation of a dispute to the Cardholder, confirming that the Cardholder does not have to pay the amount in question pending the outcome of the dispute process.

The suspension process places the amount in question in a special category of transactions. Suspended transactions are tracked and reported to the appropriate personnel in each Agency/Organization per the terms and conditions of the Master Contract and the Agency/Organization Task Order requires merchants to respond to the notification of dispute within 21 to 45 days of receipt.

If the supplier has not responded within 45 days, the dispute is automatically resolved in favor of the Cardholder. While this process is taking place, the Cardholder is not expected to take any further action, unless Citibank requests additional information.

Step 4

Based on the supplier's response, the charge will either be resolved in favor of the Cardholder or the supplier. If the charge is resolved in favor of the Cardholder, the charge is removed from the account and all related reports will reflect the status. If the dispute is resolved in favor of the supplier, a letter is sent to the Cardholder explaining the decision. The charge will appear in the balance due on the next Statement of Account, along with a dispute resolution message and applicable interest. The Cardholder should retain the dispute resolution letter and attach it with the next Statement of Account as support documentation per the reconciliation process.

Typically, when a charge is resolved in favor of the supplier, the supplier has provided evidence of compliance with association operating regulations. In those very rare instances where agreement cannot be reached between the Cardholder and the supplier, or when the charge appears to be fraud-related, special actions are taken.

Payment Process

The billing cycle

Citibank will offer Agencies/Organizations a choice of billing cycles for Fleet Card accounts. Agency/Organization-level reporting is impacted by the selection of billing cycle dates. The A/OPC and the DBO should jointly select a billing cycle suited to Agency/Organization operations, structuring the appropriate organizational hierarchy and selecting the same billing cycle for major subordinate elements for the overall processing of invoices. This approach provides full data capture for roll-up which enhances program management and decision making. If the A/OPC does not select a specific billing cycle at the time of account setup, Citibank will provide a monthly billing cycle.

Fleet Card accounts may operate on a daily, weekly, semi-monthly or monthly billing cycle. Statements of Account will be provided electronically via CitiManager or mailed directly to the address of record within five business days after cycle cutoff.

Invoices

Citibank will invoice the Designated Billing Office (DBO) for Fleet Card accounts on a billing cycle designated by the Agency/Organization.

Invoices incorporate all required data fields as defined in the Master Contract and task order requirements. Required changes in data fields and ad hoc reporting requests can be accomplished through the reporting systems offered by Citibank.

Citibank will provide invoicing in either electronic or paper formats, depending upon Agency/Organization requirements.

Citibank will accept payments from multiple sources, and will post payments within two business days from date of receipt. Citibank's payment processing centers are open 24 hours a day, seven days a week to accept payments. When required data elements are missing from the payment, which precludes accurate posting, this time frame may be adjusted.

The Government requires that payments be applied to the principal first and then to the Prompt Payment Act interest. Citibank will apply payments accordingly. The Agency/Organization will be notified in the event of any payment discrepancy.

CitiManager allows Citibank to specify the application of payments, which includes application to principal versus fees.

All payments received on accounts, excluding generic accounts only, will be credited against the overall balance due on that account. Payments cannot be posted for credit against a specific time period, but will be applied to the overall balance due and are reflected in the account aging reports accordingly. Citibank will promptly notify the DBO of any payment discrepancies.

There are four methods of payment that can be utilized by Agencies/Organizations to pay on accounts:

- Check payments
The disbursing office sends the payment through regular mail using a Government voucher identifying the account numbers for payment posting
- Wire payments
The disbursing office can initiate a wire payment by sending a cash letter to Citibank. Payments made by 2:00 p.m. EST will post the same business day. If made after 2:00 p.m. EST, the payment will be posted the following day
- Automated Clearing House (ACH) electronic payments
A Disbursing Officer can initiate ACH electronic payments by having his/her Demand Deposit Account (DDA) debited to make the payment
- Electronic Data Interchange (EDI)
Process mapping and file format exchange is necessary to initiate an EDI payment process. Contact your Citibank Business Development Manager to establish EDI as a form of payment

Account Suspension, Cancellation and Reinstatement

Suspension

Citibank will provide Pre-Suspension/Pre-Cancellation Reports to the A/OPC to identify undisputed amounts that are past due on all Agency/Organization accounts. Accounts will be considered past due (defined as 45 calendar days past the billing date for Fleet Card accounts) if payment has not been received by the due date.

Citibank shall follow specified suspension procedures for all accounts:

- Citibank will notify the A/OPC and DBO of suspension if payment for the principal amount is not received by close of business on the fifth calendar day after notification
- Citibank will document all suspension actions and, if requested, such documentation will be provided to the GSA Contracting Officer
- If payment for the undisputed principal amount is not received within 55 calendar days from the billing date, Citibank will notify the A/OPC and DBO (electronically or in writing) that the account remains past due
- Citibank will identify to the A/OPC and the DBO the Citibank Designated Collection Specialist assigned to the Agency/Organization for assistance in resolving the past due accounts
- If payment for the undisputed principal amount has not been received within five calendar days after suspension notification (at least 61 days after the billing date), Citibank may suspend the account
- Items that are in dispute will not be considered past due. The amount of the dispute is subtracted from the payment due on the Statement of Account. Therefore, items in dispute will not result in suspension of charge privileges
- Citibank-initiated suspensions will be initiated within 180 calendar days of the billing cycle date in which the unpaid charges appeared. If Citibank does not initiate suspension within 180 calendar days of the billing cycle date, it waives its right to suspend the Centrally Billed Account for the particular charge
- Reinstatement of suspended accounts will be accomplished automatically upon payment of the undisputed principal amount and the Prompt Payment Act interest
- In accordance with the requirements of this contract, the A/OPC and the GSA Contracting Officer will have the authority to suspend accounts under their purview. Documentation of the reason for suspension is required

Cancellation

Citibank will strictly adhere to the suspension procedures as outlined in the Master Contract and will cancel accounts only when specific requirements have been met. The A/OPC will be provided with the Pre-Suspension/Pre-Cancellation Report prior to initiation of suspension and cancellation actions.

While payment performance is important, Citibank's first priority to the Agency/Organization is to ensure access to charging ability. To protect this ability, Citibank will begin the cancellation process when the account is past due for the undisputed amounts, and the requirements for cancellation have been met:

- The account has been suspended two times during a 12-month period for undisputed amounts and is past due again. Citibank will give consideration to the amount of elapsed time between the second suspension and the third occurrence for late payment. Citibank may initiate cancellation procedures when payment of the undisputed principal amount on an account has not been received 120 calendar days from the billing date
- The account is 120 days past due for the undisputed amounts, and the procedures for suspension of the account have been met

If payment is not received on the fifth day after notification, Citibank may cancel the account.

Citibank will notify the Cardholder, the A/OPC and the DBO of past due accounts per documented suspension procedures. Statement messages will be printed on subsequent billing statements if there is an amount past due from the previous billing period. The Citibank internal collection department will make contact in accordance with the Master Contract and the Agency/Organization Task Order.

To ensure notification, Citibank utilizes written communications in conjunction with telephone calls. Prior to cancellation, a reasonable number of attempts will be made to arrange for payment with the point of contact and/or the A/OPC. In addition, Citibank will provide the A/OPC with notice prior to cancellation. Documentation is maintained throughout the cancellation process and will be provided to the A/OPC upon request.

The A/OPC and the GSA Contracting Officer will have the authority to suspend or cancel CBAs under their purview. Documentation of the reason for cancellation or suspension is required. Additionally, the A/OPC and the GSA Contracting Officer will have the authority to void account numbers.

Reinstatement

In accordance to the GSA master contract, Citi will reinstate suspended and/or canceled accounts upon receipt of payment of the undisputed principal amount, fees, and Prompt Payment Act interest.

Essential and Standard Reports

Reports identified in the GSA Master Contract for the Fleet Card program are available at www.citimanager.com/login known as Citimanager Reporting. All reports are dated, titled, numbered and paginated. Most reports are available in different levels of detail. With the exception of the Cardholder, each report is available at each level of hierarchy for each listed report recipient.

Reports are generated at a specific point in time on a regular basis (recurring reports), or when a user specifically asks for a report (user-requested reports). Recurring reports present data for calendar periods. For example, a monthly report presents data available from the first day of the month through and including the last day of the month. User-requested reports present data as of the date the report is requested. All report information coincides with invoice and transaction data.

Citibank Government Fleet Card essential reports

Account activity report for the Fleet Card program

This monthly report shows all transaction activity for the Fleet Card program. This will include both active and inactive accounts.

Account renewal report

This user-requested report lists detailed account information for accounts that are within 90 days of their expiration date. Closed accounts and accounts that are less than or equal to 45 days of their expiration date will not be included in this report.

Delinquency report

This report lists all delinquent account balances. The report summarizes delinquency level (30, 60, 90, 120 days+) and allows the user to access detail-level data. This report is generally available to the Designated Billing Officer and the Chief Financial Officer to identify and manage delinquencies.

Detailed electronic transaction file

This electronic file lists each Cardholder's detailed transactions for the reporting period and contains all transaction data. This file is generally used by the Agency/Organization for processing transactions through its financial systems and for producing reports.

Invoice

Citibank provides invoices on a daily, weekly, semi-monthly or monthly basis, in both electronic and hard copy formats. The Agency/Organization can modify the frequency interval on request.

Invoice status report

This user-requested report identifies all outstanding invoices (CBAs) and includes all transaction data and a field that calculates interest penalty. It is supplied electronically, normally to the DBO, and can be modified to assist in tracking and allocating refunds as applicable.

Pre-suspension/pre-cancellation report

This report lists accounts eligible for suspension or cancellation and identifies account name, account number, status, balance past due, number of days past due and interest penalty. This report is generally used by the A/OPC to flag Cardholders and accounts for A/OPC action and delinquency control.

Statistical summary report for the Fleet Card program

This monthly report provides a statistical summary of Fleet Card program activity, including dollar volume, convenience check volume, number of transactions, active Cardholders, total number of accounts, new accounts, miscellaneous fees and identification of fees (e.g., customized services, convenience checks, value-added products and services, etc.) on a current and fiscal year basis.

Suspension/cancellation report

This report lists, on a daily basis, accounts that are suspended or canceled. The report is summarized hierarchically, and the user has the capability to access detail-level data.

Transaction dispute report

This report lists all outstanding and resolved transaction disputes. The report is summarized by dispute status. The user has the capability to access detail-level data, and thereby identify, track, balance and obtain status on the dispute from the original charge through resolution. The report is generated on any cycle basis and may be delivered via CitiManager or in hard copy. This report is generally used by the TDO.

Additional Citibank Government Fleet Card standard reports

1057 report (provided by network)

This quarterly report lists merchant demographic information (minority or female-owned businesses) and provides summary travel purchasing data only. The report will include quarterly travel purchase amounts as well as year-to-date travel purchase totals.

1099 report (provided by network)

This quarterly report lists summary payments made to merchants on a quarterly and cumulative calendar-year basis. The report lists summary information by total merchant payments only. This report includes the merchant tax identification number (TIN) and legal merchant name.

Account maintenance report

This report lists any changes made to the master file information and identifies which element(s) changed on what date. This report is generally used by the A/OPC to manage programmatic data as well as to flag and verify changes.

Account listing

This user-requested report provides detailed account-level information for CBAs. The report will capture all open accounts, regardless of status.

Agency payment performance and refund report

This report lists the payment performance and any refunds paid to the Agency/Organization for each program. It is available quarterly or monthly, and includes the net charge volume, payment performance, refund amount and type of refund. This report is generally used by the Agency/Organization to analyze payment performance and refunds. It also supports audit functions.

Current accounts report

This report provides listings of all current accounts. Each account can be mapped to a specific Cardholder/User and provides ad hoc manipulation of data.

Daily chargeback report

This report lists all transactions that result in a chargeback against the Agency/Organization account. The report provides no summary information. Available upon request to the Agency/Organization Transaction Dispute Office.

Daily/monthly transaction activity fee report

This report provides detailed total transaction fee information at the Agency/Organization account level by product.

Exception report

This report identifies lost, stolen, invalid or canceled cards, declined transactions and unusual spending activity, and details such transaction activity. It includes current and past due balances. This report is generally used by the A/OPC and the DBO to monitor Cardholder activity, track misuse and identify training needs.

Lost/stolen card report

This report identifies cards/accounts that are reported as lost or stolen. An account will only appear on this report for 30 days after the lost/stolen status block date (date requested).

Master file report

This report is offered on a monthly, quarterly and annual basis and reflects new accounts. Electronic and print media deliveries are available.

MCC exception report

This report lists Cardholders who made or attempted to make purchases at unauthorized merchants. The report provides detailed transaction information at the individual or Agency/Organization account level by Merchant Category Code.

Monthly agency report

This monthly report provides summarized information regarding Agency/Organization activity by Merchant ID for the previous month.

New accounts report

This report provides detailed information regarding new accounts.

Summary quarterly merchant report

This report lists, by fiscal year quarter, summary spending information by MCC and includes MCC description, number of transactions per MCC, total dollar amount per MCC and average dollar amount per MCC. This report is generally used to summarize supplier categories for trend analyses.

Summary quarterly vendor analysis report

This report lists, by fiscal year, a detailed merchant/vendor, city, state and service type in total dollars and total number of transactions. This report is generally used to negotiate better discounts with merchants.

Summary quarterly vendor ranking report

This report lists, by fiscal year, a quarterly and comparative summary by name and type of vendor, ranking the major vendors and their dollar charges, along with a percentage breakdown of totals and changes from the previous quarter and the same quarter a year ago, if applicable. This report is generally used for market and trend analyses.

Transaction activity report

This detailed electronic transaction file provides transaction detail at the individual account level.

Transaction statistical summary report

This report provides statistical information useful for management-level analysis and decision-making at the Agency/Organization level. Available monthly, quarterly and annually.

Write-off report

This report lists the date and any balances that have been written off as uncollectable. The report is summarized by Agency/Organization and then by program. The user will have the capability to access detail-level data. Available upon request at the Agency/Organization level. This report can be used to analyze the data and cross-reference delinquency data to assist Government managers in programmatic delinquency control.

Training

In accordance with the GSA Master Contract, Citibank will assist in training the Agency/Organization on all aspects of the Government Purchase Card program, products and services. A complete Agency/Organization training strategy will be established in conjunction with your Client Development Manager during implementation. All Agency/Organization program officials (A/OCO, A/OPC, and billing and dispute officials) will be invited to participate in an initial orientation, which will address program conversion processes (Citibank differences in reporting, processing, etc.) and provide an overview of CitiManager Transaction Management System (CTMS) capabilities. Agencies/Organizations are strongly encouraged to participate in the orientation to present internal policies and procedures and to explain Agency/Organization program interfaces.

Citibank provides access to a full suite of on-demand training resources for A/OPCs, DBOs and TDO from Citi Commercial Cards Learning and System Support (CLASS) our learning management system (LMS) accessed from CitiManager Web Tools. The following resources are available:

- Interactive Computer Based Training (CBT) Modules
- Quick Start Guides
- End-to-End User Guides

A/OPC training and reference materials focus on A/OPC responsibilities, program requirements, processes and step-by-step procedures for CTMS capabilities. A/OPCs are responsible for ensuring that Cardholders are properly trained on the Citibank Government Purchase Card program. To assist in this effort, Citibank will provide a suggested training outline and provide any applicable reference documents.

Although the Citibank Customer Service Center is not intended to replace appropriate program training, customer service representatives are always available to answer questions and resolve issues.

Payment Information

- Enclose your check or money order payable in U.S. dollars to Citibank, N.A. with this payment coupon, but do not staple or tape them together.
Please do not send cash.
- Write your account number on the front of your check or money order.
- Please make sure the entire Citibank address appears through the window of your remittance envelope.
If we receive your mailed payment in proper form at our processing facility by 10 a.m. Eastern Time, it will be credited as of that day.
- Payments, adjustments, and charges received after the date indicated on the front as `StatementDate` will appear on your next statement.

Account Inquiries

In case of error or questions about your bill: If you think the Billing Statement is incorrect, or if you need more information about a transaction, write to us on a separate sheet at the address specified on the front of this statement as soon as possible. Please notify us no later than 60 days after the date of the bill on which the error or problem first appeared. Disputed amounts may be deducted from `Total Payments Due` after you notify CITI of disputed items.

In the letter, please give us the following information:

- Your name and account number. For Centrally Billed Accounts, please include the Agency name and individual account number.
- The dollar amount of the suspected error.
- Describe the error and explain the reason for the error; if more information is needed about an item, please describe it to us.
- **Merchant disputes:** If the Agency or Cardholder was unsuccessful in attempting to resolve a problem with a merchant concerning the quality of goods or services purchased with the CITI Government card, we may be able to help if we are notified in writing within 60 days of the date of the charge.
- In the letter to us, please explain in detail the dispute and the results of the attempt to resolve it with the merchant. The letter must include the amount involved, **and must be signed by the individual Cardholder. We will notify you of the results of our efforts.**
- If you returned merchandise and received a credit slip which has not yet been posted, please allow 30 days from the date it was issued. If it has not yet been posted to the Account by then, forward a copy of the credit slip to us at the billing dispute address specified on the front of the statement. Along with the copy of the credit slip, please include a letter (**signed by the individual Cardholder**) stating that credit was not received.
If a credit slip was not issued, please request one from the merchant. If the merchant refuses, please write us and explain the details.

Mail your payment in the envelope provided, or send your payment to:

Citibank, N.A.
P.O. Box 183173
Columbus, OH 43218-3173

You may send your payment via overnight mail to:

Citibank, N.A.
1500 Boltonfield Street
Columbus, OH 43228

- On non-disputed or any other matter shown by CITI not to be in error, CITI may charge the Agency or Cardholder the fee specified in the Cardholder Account Agreement for each copy of any document the Agency or Cardholder requests, such as duplicated periodic statements, transaction slips, and the like.
- Please save your charge receipt.
- **Mail billing inquiries to:**

Citibank, N.A.
PO Box 6125
Sioux Falls, SD 57117-6125

- **Telephone inquiries through CITI Customer Service, 24 hours a day, 7 days a week:**

Payment Information

- Enclose your check or money order payable in U.S. dollars to Citibank, N.A. with this payment coupon, but do not staple or tape them together.
Please do not send cash.
- Write your account number on the front of your check or money order.
- Please make sure the entire Citibank address appears through the window of your remittance envelope.
If we receive your mailed payment in proper form at our processing facility by 10 a.m. Eastern Time, it will be credited as of that day.
- Payments, adjustments, and charges received after the date indicated on the front as `StatementDate` will appear on your next statement.

Account Inquiries

In case of error or questions about your bill: If you think the Billing Statement is incorrect, or if you need more information about a transaction, write to us on a separate sheet at the address specified on the front of this statement as soon as possible. Please notify us no later than 60 days after the date of the bill on which the error or problem first appeared. Disputed amounts may be deducted from `Total Payments Due` after you notify CITI of disputed items.

In the letter, please give us the following information:

- Your name and account number. For Centrally Billed Accounts, please include the Agency name and individual account number.
- The dollar amount of the suspected error.
- Describe the error and explain the reason for the error; if more information is needed about an item, please describe it to us.
- **Merchant disputes:** If the Agency or Cardholder was unsuccessful in attempting to resolve a problem with a merchant concerning the quality of goods or services purchased with the CITI Government card, we may be able to help if we are notified in writing within 60 days of the date of the charge.
- In the letter to us, please explain in detail the dispute and the results of the attempt to resolve it with the merchant. The letter must include the amount involved, **and must be signed by the individual Cardholder. We will notify you of the results of our efforts.**
- If you returned merchandise and received a credit slip which has not yet been posted, please allow 30 days from the date it was issued. If it has not yet been posted to the Account by then, forward a copy of the credit slip to us at the billing dispute address specified on the front of the statement. Along with the copy of the credit slip, please include a letter (**signed by the individual Cardholder**) stating that credit was not received.
If a credit slip was not issued, please request one from the merchant. If the merchant refuses, please write us and explain the details.

Mail your payment in the envelope provided, or send your payment to:

Citibank, N.A.
P.O. Box 183173
Columbus, OH 43218-3173

You may send your payment via overnight mail to:

Citibank, N.A.
1500 Boltonfield Street
Columbus, OH 43228

- On non-disputed or any other matter shown by CITI not to be in error, CITI may charge the Agency or Cardholder the fee specified in the Cardholder Account Agreement for each copy of any document the Agency or Cardholder requests, such as duplicated periodic statements, transaction slips, and the like.
- Please save your charge receipt.
- **Mail billing inquiries to:**

Citibank, N.A.
PO Box 6125
Sioux Falls, SD 57117-6125

- **Telephone inquiries through CITI Customer Service, 24 hours a day, 7 days a week:**
- **Toll-free:** 1-800-790-7206
- **Call Collect:** 904-954-7850

Information about your CITI Government Card Account
